

Let us take the stress out of your next event!

Back in 1978 we started our family pizza restaurant with the desire to make delicious affordable food and treat all our customers like family. Since then, we expanded our pizzeria to be a full service restaurant with the same great food and friendly atmosphere.

We pride ourselves on the freshness and quality of the ingredients we use in our everyday cooking. Our catering service is no exception. Let us make your next event a success!

We appreciate your business and want to continue to be your neighborhood choice! Thank You.
